

Faison & Faison a Professional Dental Corp.

Funding Date: 12/17/1997

The building to house this dental facility located in the city of Compton, California was acquired through the SBA-504 loan program. Advantage CDC partnered with Founders National Bank (acquired by Wells Fargo, Bank) to facilitate financing for the acquisition and tenant

improvements of this property. This is a 3,088 square foot Dental Office Building located on a 9,427 square foot site.

"Faison & Faison a Professional Dental Corp." specializes in Pediatric Dentistry and dentistry for the special disabled person.
